

UT281E Series True RMS Flex Clamps

- Coil diameter: 0.75cm
- Bending length: 47.5cm
- 2m drop proof, ETL/Intertek certified 3rd edition CE
- 0~6M Ω resistance and 20~40kHz frequency measurements
- Large LCD display for clear reading
- True RMS
- Long press INRUSH key for 2~3s to measure inrush current
- Data hold, backlight, auto power off

SPECIFICATIONS

Model	UT281E
AC current (accuracy)	30A/300A/3000A $\pm$ (3%+5)
Resolution	0.01A/0.1A/1A
AC voltage (accuracy)	600V $\pm$ (1.2%+3)
Inrush current	0.50A~3000A
Frequency response	45Hz~500Hz
Max display count	3000 counts in current test mode, 6000 counts in other test modes; displays OL in over range condition
Sampling rate	3/s
